- providing video recording of the entrance test, transfer video to IFNMU through an online platform, information storage and videos after the entrance exam for foreigners during five years in a partner organization.

**4. Admission of foreign students to study at the expense of natural and / or legal persons is carried out by the IFNMU:**

- 1) three times a year (no later than March 1, November 1, December 30 respectively) to obtain a Master's Degree;

2) during the year for Postgraduate Studies (see Annex No. 5).

The IFNMU calculates scores / grades of the applicant on the basis of the document on the previously acquired educational level and determines the minimally accepted entry score / grade for the general subjects which constitute the entrance examination.

Admission of foreign citizens to study at the appropriate level of higher education is carried out by taking into consideration:

- the results of entrance examinations in specified subjects and the language of instruction;
- academic rights to continue education, provided by the document on the acquired level of education issued in the country they come from;
- the performance scores / grades which give the right to continue education at the next level of higher education in accordance with the legislation of the country that issued the document on the obtained degree (level) of education.

5. All the foreign citizens and stateless persons, who enter the University, are admitted to the IFNMU under of the orders for enrolment. The certificate, formed at the EDEBO (Unified State Electronic Database on Education), can confirm the fact of studying.

6. Requirements of IFNMU in relation to accordance of entrants from the number of foreigners that arrived to Ukraine with the aim of studies:

**Palestine.** According to the Palestinian Embassy in Ukraine, when entering the Medicine and Dentistry departments, the average score of the document on complete general secondary education, which should be at least 80%, must be taken into account.

**Republic of Lebanon.** According to the Embassy of the Republic of Lebanon in Ukraine, the passing score must be at least 280 points, regardless of the score of a separate exam in a particular subject or discipline (50% of the maximum possible score). The total maximum score is 560 points. The Ministry of Education of Lebanon recognizes diplomas of graduates of medical and pharmaceutical universities of Ukraine, citizens of Lebanon, who received training in high school in the following areas:

- General sciences
- Natural Sciences
- Sociology and Economics.

The number of points is indicated in the document "Certificate of passing the exams for the diploma of secondary education".

**Arab Republic of Egypt.** According to the Embassy of the Arab Republic of Egypt in Ukraine, the minimum passing score of the document of complete general secondary education for students to enter the following specialties, provided that students have been trained in the required disciplines, should be:

- 222 Medicine - 98% (402 out of 410 points):
- 221 Dentistry - 97.8% (starting with 401 points);
- 226 Pharmacy, industrial pharmacy - 96.82% (397 out of 410 points)

**The Hashemite Kingdom of Jordan.** Minimum passing score of the document on complete general secondary education:

- 222 Medicine - 80%;
- 221 Dentistry - 80%;
- 226 Pharmacy, industrial pharmacy - 75%.

**Republic of India.** According to the Embassy of India in Ukraine, entrants to medical institutions of higher education in Ukraine should have a certificate confirming the successful completion of NEET - external

national assessment for admission to study for a Bachelor of Medicine and Surgery (MBBS) or other equivalent medical education. The Medical Council of India reserves the right to inspect the documents and, in case of violations of the current legislation of the Republic of India, to revoke such certificates.

**Republic of Ghana.** The Embassy of the Republic of Ghana, when enrolling the holders of educational documents issued by educational institutions of the Republic of Ghana, recommends using the minimum requirements for the results of the exams specified in the educational documents.

The minimum number of disciplines is 6 (six), three of which must have a grade not lower than D7:

- Mathematics (basic course);
  - English: Integrated Sciences / Social Sciences (the best grade from the specified disciplines is chosen).
- The total number of points is not more than 36 ("one" or A1 is the highest score). The other three subjects are selected with the best results. Levels from A1 to D7 inclusively are considered as passable. Regardless the number of points, the E8 level is not passable.

**Federal Republic of Nigeria.** The Embassy of the Federal Republic of Nigeria in Ukraine recommends paying attention to the fact that to issue the original document on education takes one year. When entering higher education in Nigeria, applicants have the right to use electronic or paper documents issued by the West African Examination Board (WAEC) or the National Examination Board (NECO), which are valid for one year (until the original education document is produced).

Requirements of Nigeria for the results of passed exams during enrollment in higher education institutions:

- minimum passing score - "C";
- minimum number of disciplines - 5 (five);
- compulsory subjects - English and Mathematics.

For admission to higher education institutions for the specialty of a particular field (scientific, creative or humanities) points are taken into account in disciplines related to this field.

Education documents must be legalized (stamps of the Ministry of Foreign Affairs of the Federal Republic of Nigeria and the relevant legislative body of Ukraine).

**Republic of Zambia.** The Embassy of the Republic of Zambia in Ukraine reports that the right to continue education in higher education programs is provided by a Zambian School Certificate.

The minimum number of disciplines that is taken into account when entering higher education institutions is 5 (five) with a grade of at least 6 (six).

**Republic of Namibia.** The Ministry of Education, Arts and Culture of the Republic of Namibia recommend to take into account at least 6 (six) disciplines when calculating the passing score for holders of educational documents issued by Namibian educational institutions and independently determine the entrance requirements for holders of educational documents issued by educational institutions in Namibia.

**Republic of Kenya.** Higher education institutions are advised to pay attention to the fact that the minimum grade specified in the document on secondary education issued by educational institutions of the Republic of Kenya, which gives the right to enter higher education institutions of the Republic of Kenya, is "C".

**Republic of Sudan.** According to the Embassy of the Republic of Sudan in Ukraine, educational documents issued by educational institutions of the Republic of Sudan must specify a mandatory list of disciplines:

- Arabic,
- English,
- Islam,
- Mathematics. The minimum score for each discipline is 50.

The list of disciplines is mandatory for enrollment to any institution of higher education, regardless of its direction.

**Kingdom of Saudi Arabia.** According to the Embassy of the Kingdom of Saudi Arabia (CSA), there are two ways to legalize student certificates obtained in the Kingdom of Saudi Arabia:

1. The education document is legalized by the Ministry of Foreign Affairs of the Kingdom of Saudi Arabia, and then by the KSA Embassy in Kyiv.
2. The document is legalized directly by the KSA Embassy in Kyiv, as the Embassy has a list of all Directors General for Education in all KSA regions. Due to the fact that the KSA Embassy in Kyiv has the authority to legalize educational documents, there is no need to legalize the document by the KSA Ministry of Foreign Affairs. In this case, further certification of documents is carried out by the Ministry of Foreign Affairs of Ukraine in Kyiv.

**The terms of the submission of applications and documents, the conduction of the entrance exams and the admission of foreign citizens entering 1<sup>st</sup> year in spring semester of the 2021/2022 academic year are:**
