Ivano-Frankivsk National Medical University
Dear Friends!

The history of the development and the results of the scientific and educational activities of Ivano-Frankivsk National Medical University has confirmed that thanks to the work of its teaching staff and employees the University has become one of the leading scientific and methodical centres for training of physicians, pediatricians, pharmaceutical chemists and stomatologists in Ukraine.

We are ready to assist foreign countries in training of highly skilled doctors and we will consider it an honour for the University.

We are looking forward to seeing you at our University.

M.M. Rozhko
Rector of the University, Professor
Ivano-Frankivsk National Medical University was founded in 1945. At that time the University had only 500 students studying at two departments. At present there are more than 9500 students studying at following departments: General Medicine, Dentistry, Pediatrics, Pharmacy, Postgraduate and Preparatory.

Future doctors are trained by highly qualified specialists. Among them there are 19 academicians, 74 professors and doctors of science (DScî) and 324 candidates of sciences (PhD). Research work is carried out in modern-equipped laboratories, such as Electronic Microscopic, Radionuclide, Ecological Medicine, Genetics, Immunology, Biochemical Medical, Molecular Biology, Trace Elements and Enzymes ones.

The University has international relation with the leading clinics, universities and research centers of USA, Germany, Sweden, Switzerland etc. Ukraine as a member of the UNO and UNESCO takes an active part in carrying out of international programs in the sphere of higher education, withing the limits of its economic means it renders assistance to foreign state in training of national specialists.
Admission conditions to the Ivano-Frankivsk National Medical University (IFNMU)

The admission to the IFNMU is in accordance with the existing Ukrainian legislation. Foreign citizens who don't know Ukrainian or Russian perfectly are admitted to the Preparatory Department for one year. After graduating of the Preparatory Department foreign students can continue their studies in this University or other universities of Ukraine.

IFNMU admits foreign citizens to the following departments:

- **General Medicine** term of studies 6 years (English medium included)
- **Pediatrics** - term of studies 6 years
- **Dentistry** - term of studies 5 years (English medium included)
- **Pharmacy** - term of studies 5 years
- **Nursing** term of studies 3 (4) years
- **Prosthodontics** term of studies 2 years.

Upon graduation, the graduates who have passed all their final examinations successfully will be given the profession of Physician, Pediatrician, Dentist, Pharmaceutical Chemist, confirmed the title of M.D. or Master of Pharmacy and issued diplomas of international standart in Ukrainian and English (French) languages.

Foreign students will be given a double room or single room in student’s hostel.

The foreign citizens studying at the IFNMU are guaranteed rights and liberties foreseen by the Ukrainian legislation in force.
